Many Returning Soldiers

Will Operate Tractors

Will Operate Tractors
It is often said that returning substers will and mant to go again and office work. This will be true in many cases. This octions life appeals to those who have seen army service. Parming will understood to be substantially be boosted by return of our soldier boys. The fact that many have learned more about auton and trucks, will make more efficient operators of tractors, the bracket propressive element of modern farmings states L. A. Thompson, manager of the Senthars Blieder Moder On. With the additional call for operators of tractors in the opportunity in learn how to operate them in the vecational schools maintained by Unite Sam, agriculture will andoubtedly receive a healthy boost.

PROUD TO RE IN IL S. ADA

For four years and a half the men have been turned away from everyhave been turned away from everything mental, but their new associations have opened their minds in an
incredible manner. Before the sixing of the armistics education was
given to the men as a diversion from
the terrors of war. Since however,
it has given them something to do.
Becently, 72,000 books have been
sent to France. The men, it is said,
are still asking for more Lord Gorell
said he also had a request for 7,000,000 pencils.

Whether for only a single piece or a complete home

Our Prices Are Lowest

It is no longer necessary to delay purchasing that piece of furniture-or for that matter, an entire new set of furniture-for the want of the ready cash.

The Rio Grande plan of easy payments enables everyone to have the best home furnishings, by paying only a little down and a small payment each week.

This unique feature does not make the furniture cost a penny more, as one would suppose, but on the contrary the prices at our store are considerable lower than you can find elsewhere, due to our excellent buying ability and to the fact that our house is out of the high rent district.

Whether you contemplate purchasing any furniture immefinitely or not we shall consider it a pleasure to show you rough our beautiful stock.

#### If You Are Not Game Enough To Take A Chance—Then Pass This Up As You Are Wasting Time

Are washing time

If you are willing to take a chance, he one of \$00 others to pay in \$10.00 each to drill for all on my ranch, of about 4000 arres, noith of El Paso, Texas, and east of the Organ Mountains, in Dona Ana County, N. M.

Like pioneers in all new oil fields, the chances are against you, but if you do win, you win big, and the U. E. Geoingical Survey shows in to be in the unspected oil best and I intend deliging at the Dayles Walls, where geologists who investigated this entire country from the Sacraments to the Larilla Mountains inform me they be lieve oil will be found.

I will not demand any royalty, as is usually done by camers of the property to be prospected, but I will issue my nothings for the development of oil, and accept \$10,000.00 in stock, at par, and I will at par, buy a substantial block of this stock to show my confidence in the undertaking. This stock, like yours, will of course be worthless, if we do not strike oil, but if we do, your \$100.00 may be worth \$15,000.00, but there are more demonsts to less than win, and I would not advise anyons to subscribe for more than they can afford in lose; but if we do strike it, we will be on easy street; every \$100.00 invested will represent its proportion of the whole corporation holdings.

I GUARANTEE that drilling will be given my personal attention.

I QUARANTEE that drilling will be given my personal atten-I GUARANTEE that drilling will be given my personal attention, and your interests will be protected, the sume as mine, and the Bowman Bank & TRUST CO., of Las Crucea, N. M. (the oldest and inrgest bank in Southern N. M.) will set as Trustee for all money received, and NO OFFICER will receive any salary until off is struck, and no money will be paid out, except the actual expense of advertising and printing, we are fortunate in already controlling a chartered corporation, THE SOUTH AND WEST LAND AND DEVELOPMENT CO., under which sharter, development work can be immediately prosecuted, and I hope to be drilling in 20 days.

No stick astessman is trying to talk you into buying stock in a wall he knows will never be drilled: I have never yet broken my word to the people of New Mexico, where I have lived for 27 years and assure them now, that this well will be drilled or your money refunded.

You can send your money to me, or to the Bowman Bank &

You can send your money to me, or to the Bowman Bank & Trust Co., of Las Cruces, N. M., who will send you stock receipt for your money.

# The "Boss" O. K. Stoves

-Burn Air

This Stove Burns 99 66-100 Air

Housekeepers living in the suburbs, where they have no gas connection or those who live in smaller towns and on ranches will find that the "Boss" O, K. Stove is the greatest of all the modern kitchen conveniences. For this reason, it is included in KracKajacK Service.

### No Odor-No Dirt-No Smoke

half of one per cent oil-

This wonderful result is secured by using the newly patented Oil-Air Burner. It is of simple construction. Burns ordinary kerosene oil-the cheapest fuel on the market-and can be regulated to burn either high, medium or low.

When we tell you that the "Boss" O. K. Stove A big powerful flame is created which is drawn burns 99 66-100 air, it is just a simple, truthful into a chimney which is perfectly seamless, and, statement. This means that it burns less than one-unlike tubes that are scamed or welded, cannot open up or come apart. Perfect combustion is thus assured and an intensely hot blue flame secured which consumes the great percentage of air mentioned.

We carry the "Boss" O. K. Stove in one, two, three and four box. This comes with or without

#### Out of Town Dealers

Out of town dealers will find that the "Boss" O. K. Stone agency is a big asset, We would like to have dealers throughout the entire Southwestern territory, and in case there is no "Bass" Oil Stove agent in your town, we invite correspondence.
